

Welcome yourself home to this charming 3 bedroom ranch! With a spacious floor plan and modern updates near major amenities, this home will suite any family. It features an updated kitchen with ceramic tiled flooring, faux-granite countertop, a single-bowl stainless steel sink and plenty of cabinet spaces with new paint. Just next to the kitchen is an open entryway to the dining room/ bonus room with excellent tile flooring too! The living room has beautiful hardwood floors with big picture frame window. The 3 bedrooms share the same hardwood flooring with each having its own style of closet. The partially finished basement offers great extra storage for any purpose you see fit, including an extra room for laundry. Outside is a covered front porch for a mini table and a chair to enjoy the outdoors and a 2 car garage.
